### *Foundation Awards Eight \$500 Secondary School Scholarships*

The president of the Lions Gate Healthcare Research Foundation, Dieter Howald, announced today that the Foundation has awarded \$4,000.00 in secondary school scholarships in the past two weeks. "The Foundation encourages students to pursue careers in healthcare-related fields," said Mr. Howald, "and these \$500.00 scholarships are intended to help these students achieve their educational goals." Mr. Howald congratulated all the award recipients on their graduation and wished them well in their future studies.

The Foundation awarded scholarships at four North Shore secondary schools this year. The award recipients at each school are noted below:

- Argyle Secondary School  
Trishna Sisodraker  
Ivy Wu
- Seycove Secondary Community School  
Arthur Skotnicki  
Virginia Richards
- Saint Thomas Aquinus School  
Elina Boesen  
Krystle Guieb
- Windsor Secondary School  
Claudia Wong  
Ceri Brophy

The Lions Gate Healthcare Research Foundation has been building better communities through research and education for 35 years. It supports research funding, fellowship grants at the University of British Columbia, and Grade 12 scholarships at secondary schools on the North Shore. The Foundation is a registered charity for income tax purposes, # BN 11902 0915 RR0001, and receives grants and donations each year to support its work in the community.
