Foundation Awards Twelve \$500 Secondary School Scholarships

The president of the Lions Gate Healthcare Research Foundation, Dieter Howald, announced today that the Foundation has awarded \$6,000.00 in secondary school scholarships in the past two weeks. "The Foundation encourages students to pursue careers in healthcare-related fields," said Mr. Howald, "and these \$500.00 scholarships are intended to help these students achieve their educational goals." Mr. Howald congratulated all the award recipients on their graduation and wished them well in their future studies.

The Foundation awarded scholarships at six North Shore secondary schools this year. The award recipients at each school are noted below:

- Argyle Secondary School
Michelle Hui
Tarak Patel
- Seycove Secondary Community School
Erin Hutton
Shannon Roach
- Saint Thomas Aquinas School
Hilary Campbell
Nadia Vrtacic
- Windsor Secondary School
Jennifer Wall
Rob Miller
- Sentinel Secondary School
Jacquelyn Cragg
Grace Lin
- Handsworth Secondary School
Katie Gibson
Lauren Human

The Lions Gate Healthcare Research Foundation has been building better communities through healthcare research and education since 1963. It supports research funding, fellowship grants at the University of British Columbia and Simon Fraser University, and Grade 12 scholarships at secondary schools on the North Shore. The Foundation is a registered charity for income tax purposes, (BN#11902 0915 RR0001), and receives bequests and donations each year to support its work in the community.
